UV RAYS**

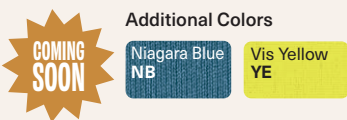

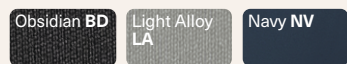

SUN PROTECTION PULLOVER HOODIE

Built with anti-stink technology and UPF 50 baked right in, the Sun Protection Pullover Hoodie keeps you dry, fresh and shielded from harmful UV rays. The ultra-soft brushed jersey knit wicks sweat while delivering the kind of flexibility that makes overhead work a breeze. A 3-piece hood with crossover neck design won't block your peripheral, and the handy utility sleeve pocket and stealthy side seam pocket stash tools and tech. When the summer sun starts shinin', you'll have it made in the shade – no bulk, no restrictions!

- Odor-resistant and sweat-wicking tech keeps you fresh and dry
